MyTime CONNECT GROUP

What is it? A support group for Parents of children with Autism Spectrum Condition or related developmental delays to spend time with others in similar situations to share experiences and gain support. MyTime is free.

When? We meet on the last Friday of the month, Meeting 10.30 – 12.30pm.

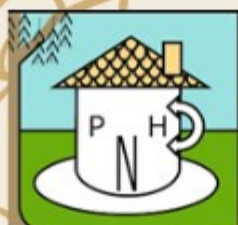

We have a play helper, who leads children aged 0-6 in activities in another room so parents can spend time focusing on catching up with others.
